Beautiful, sustainable and locally sourced floral designs for your wedding day!

Congratulations on your engagement! Weddings are such exciting, beautiful, emotional occasions, and flowers can play an integral part in bringing the day together, with their different scents, colours and meanings. It is always a privilege to be able to play a part in making the day special, and your wedding will be the only one I will be working on that weekend so I can be totally dedicated to it. I love the challenge of fulfilling a bespoke order or an unusual request, but I can also offer some fuss-free packages if you are finding wedding planning a bit stressful. Whatever you choose, I will always try to make your wedding flowers as sustainable and environmentally friendly as possible, for example by sourcing locally grown flowers and biodegradable packaging. I have described some “packages “ below, which are to make my pricing as simple and transparent as possible, but these are totally flexible and can be adapted to suit your needs and budget.

Seasonal Package—No Consultation—from £155

If you are fairly relaxed about the specific flowers you will have for your wedding, or you want to minimise your planning, this is the option for you! By selecting the flowers that are in season on the day, I can choose the best value blooms in your colour scheme. This option includes the planning, ordering and conditioning of flowers, and production of a Bride’s Bouquet, a Bridesmaid’s Posy, the Groom’s boutonniere a best man’s buttonhole and two more buttonholes. The bouquets will be packaged with a water source and everything will be presented in a transport box. Extra items can be added on or substituted—please see the separate price list.

Collection only (From EX16)

Summer (mostly British blooms)— £155 Winter (mostly imported blooms) - £165

Add another £15 for delivery to a venue within 30 miles of EX16, 30p per mile thereafter.

Bespoke Package—Full Consultation—From £230

If you have more specific ideas about the flowers you want to use, this package includes a full consultation, planning, ordering and conditioning of flowers, production of a Bride’s Bouquet, a Bridesmaid’s Posy, the Groom’s boutonniere, the Best Man’s buttonhole and two more buttonholes, with delivery to up to two locations (within approximately 30 miles of EX16—additional mileage at 30p per mile). The bouquets will be packaged with a water source and everything will be presented in a transport box. Extra items can be added on or substituted—please see the separate price list. The price may vary depending on the flowers used and the season.

Bespoke Package—Shower bouquet—Full Consultation—From £275

This package is the same as the one above but includes a wired shower Bridal Bouquet rather than a hand-tied one.

Wedding Flower Workshops

Do you fancy doing your wedding flowers DIY but feel a bit daunted? Are you looking for a hen -do idea? Why not make your wedding flowers and decorate your venue with the help of a qualified florist and teacher? I can come to your house or another location with all the flowers and materials you require and guide you through the steps in creating your own wedding flowers. These workshops can be combined with me making some of the arrangements for you, and can be adapted to suit your requirements.

Half Day (a morning, afternoon or evening—2 to 3 hours) £80 plus materials

Learn how to make a gorgeous vintage rose bowl centrepiece for your venue tables. These rose-bowls do not require the use of floral foam so they are environmentally friendly! The technique can be adapted to suit other containers if you wanted a more contemporary or rustic look. Materials cost of around £18 per rose bowl including hire.

Or:

Learn how to make a handtied bridesmaid's posy and decorate it with a ribbon handle to suit the style of the day. Includes a transport vase made of biodegradable materials. Or make an arrangement or gift bouquet for a special guest! Materials cost of around £20 per posy/bouquet.

Plus: Learn how to make a buttonhole, corsage or hairpiece (if time allows).

Full Day - Do all these activities - £120 plus materials!
